

Dana Winner

Mpumalanga... thank you for the warm welcome we have received in the Province, now we can see why Dana loves Mpumalanga so much. I would also like to thank the Honorable MEC Craig Padayachee for his support for the Dana Winner Platinum Tour in South Africa. Dana insisted that her Platinum Tour of South Africa must start in Mpumalanga, this shows that Dana believes that Mpumalanga has a lot to offer and can compete favorably with other major cities in the world.

I would also like to thank The Mpumalanga Tourism and Parks Agency, for their support and want to make it clear that they are focused and well on their way to making Mpumalanga a great Tourism Destination by involving such great International talent as Dana Winner. Mpumalanga is very close to Dana's heart. As the province of Mpumalanga's international tourism ambassador, Dana continues to promote the Province and South Africa wherever she goes. She loves South Africa!
