Merry Christmas to you

HAZYVIEW - Tove Kane from the popular Highveld 94.7 Stereo has just launched her CD titled "Merry Christmas To You".

The CD which was released recently, was launched at the Blue Mountain Lodge near Hazyview.

It features Deon Roberts and has only three tracks.

The title of the tracks are "Merry Christmas To You" but played in different versions.

Track one is a vocal version, track

two involves guitar and chorus and track three is instrumental.

Her Christmas message to people is "Merry Christmas To You! May all your hopes and dreams come true - they are closer than you think".

Before launching the CD last Wednesday evening, she performed at the Riverside Mall and lucky people received give-away CDs.

Some of her followers bought CDs from her.

When asked why she came to launch

her CD in Mpumalanga, she said Mpumalanga is a nice place to be.

She disclosed that early this year she came to stage her birthday party at the lodge.

Mpumalanga Tourism Authority (MTA) views this as a manner in which to market the province.

"We need people like Tove to visit Mpumalanga because in return they tell their listeners about the beauty of the province," said Norman Ngodiseni Madzhiga of MTA.
