Re: Your Resignation from Serokolo Health Tourism (Pty) Ltd Board

I received your e-mail about your resignation from the board of Serokolo Health Tourism with great sadness. You have really been an asset to Serokolo in the short time that you have served on the board and your contribution to the growth of Serokolo is highly appreciated. I, hereby, will like to take this opportunity to thank you for all your hard work and support for medical tourism and Serokolo.

Wishing you all the best in your future endeavours.

Kind Regards
